

**MEMORANDUM OF UNDERSTANDING
BETWEEN
THE MINISTRY OF THE ENVIRONMENT AND FOOD, DENMARK
AND
THE JIANGSU ENVIRONMENTAL PROTECTION DEPARTMENT,
P .R .CHINA**

The Danish Ministry of the Environment and Food and Jiangsu Environmental Protection Department (Hereafter referred to as "the parties") signed a Memorandum of Understanding in 2011. Recognizing the fruitful cooperation by the parties under the framework, the Memorandum of Understanding is updated and agreed upon as follows:

Article I

Both sides will carry out cooperation in the areas of environmental protection on the basis of equality and mutual benefit.

Article II

Main areas of interaction as of common interest are air pollution control, water pollution control, solid waste management and could be extended to other areas of concern.

Article III

The cooperation may include:

- Exchange of scientific and technical information and environmental management experience through bi-lateral visits, workshops, and exchange of staff;
- Collaborative research on pollution prevention and control;
- Sharing of best policy practices development and law enforcement experience;
- Joint demonstration of new clean technology;
- Any other form of cooperation as mutually agreed upon between the Parties.

Article IV

The Parties will develop a work plan as addendum of this MOU for implementation. The Parties will appoint liaison persons and supporting agencies for implementation of the cooperation program.

Article V

Referring to the Agreements between the Ministry of Environment and Food, Denmark, and Ministry of Water Resources and Ministry of Environmental Protection, P.R. China, on Strategic Sector Cooperation (SSC), Jiangsu Environmental Protection Department (EPD) is committed to be the project province.

The activities on the Danish side will be implemented or facilitated by the Danish Environmental Protection Agency (DEPA). The activities on the Chinese side will be implemented or facilitated by the Jiangsu Environmental Protection Department.

The parties will allocate necessary resources for the implementation of the cooperation programme. The financial arrangements for the activities or programs undertaken within the framework of this Memorandum of Understanding shall be mutually agreed upon by the Parties on a case-by-case basis subject to the availability of funds and resources.

Specifically, the SSC programme and Jiangsu EPD share the cost of the agreed travel activities by: The visitor (Jiangsu staff travel to Denmark or Danish staff travel to Jiangsu) pays international travel and hotel, and the host pays for venue and local transport related to the activity.

Article VI

This Agreement shall enter into force on the date of the signature and shall remain in force for up to a 5 year period. Unless one Party notifies the other in a written form three month prior to the expiration of this Agreement, it will be automatically renewed for a 3 year period.

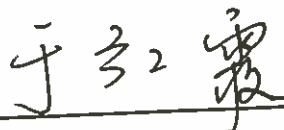

The termination of this Agreement will not affect the validity of any arrangement already made under this Agreement.

Done in duplication in English and Chinese language, each version being equally authentic
